

A diagram illustrating a woven fabric structure. It shows a regular, repeating pattern of threads interlaced in a grid-like fashion. A circular inset provides a magnified view of a single thread intersection, showing the thread passing over and under another thread.

A diagram illustrating the structure of a woven fabric. It shows a grid of blue threads. A circular inset provides a magnified view of a single thread, showing its cylindrical shape and a central core.

Z dlhodobého hľadiska nie je zabezpečená farebná stálosť a časom dochádza k blednutiu farieb

REĎKOVKA
Farba zostáva len na povrchu
vlákna, nepreniká dovnútra

Príklad na vizualizáciu procesu farbenia látky
